visit our **ONLINE STORE**

Elegant and technically refined residential side-post umbrella with a sporty, nautical flair. 360° rotation feature and two tilt levels make the SOLA a wonderful choice for your beautiful patio, deck, pool, spa and courtyard areas.

"The most stylish, long-lasting residential side-post umbrella on the market today"

Available in 2.7m Square, 3.4 and 3.8 meter Octagonal

- Tilting feature blocks out sun, showers and noisy neighbours
- Folds into a compact vertical format when not in use
- Light weight (approx 30kilos) allows for multiple locations and easy storage
- Marine Grade anodized aluminium means no rust, no paint to flake
- Premium acrylic canvas canopy is waterproof, UV resistance and colour fast

Liberty 'rotating' Shade Umbrella

Contemporary, robust and attractive commercial grade side post umbrella with 360 degree rotation feature. Ideal for both commercial and residential settings where style, low maintenance and functionality are important and where wind might be an issue.

- Fixed arm for maximum strength and increased wind resistance
- Simple removal of entire canopy structure when not in use
- Light weight (approx 35kilos) allows for multiple locations and easy storage
- Marine Grade anodized aluminium means no rust, no paint to flake
- Premium acrylic canvas canopy is waterproof, UV resistance and colour fast
- Rotates 360 degrees...follow the sun and cover a large area

Available in 3m Square, 3.5 and 4 meter Octagonal
